

# A revolution in online real estate lending is now available for your website.

Simply place a link or banner ad that we provide to you at no cost\* on your, or any other, website and let the revolution begin...

[www.ratefront.com.au](http://www.ratefront.com.au)

will provide you with:

**A Mortgage iCalculator that will let your website visitors:**

- Know their actual borrowing limit based on avg of 4 banks
- See only lender products that match their unique situation
- Apply directly to their preferred lender/s in real-time
- Receive lender decisions in less than 60 seconds by email
- Have confidence in lender rates, fees & policy updated daily

**A login so you know how many loans are being generated from your links and ads. For every successful loan (lender approved), you're paid a generous referral fee<sup>^</sup> from PMM.**

The Mortgage iCalculator is a first for Australia. It's simple to use and takes 10+ minutes for your visitors to complete. It's a great **point of sale** tool if you're in an industry that relies on customer home loans being approved before you can sell product.

**There's no accreditation or forms to complete. Simply call 07 3358 2322 opt 1 or email [robert@ratefront.com.au](mailto:robert@ratefront.com.au) and we'll email your unique link to you same day!**

*Visit [www.platinummortgages.com.au](http://www.platinummortgages.com.au) to see our banner ad in action!*

**celebrate  
the power of  
choice**

\*We provide a banner ad free of charge. If you require changes or a different banner ad, it will be at your cost. <sup>^</sup>\$110 inc GST for each and every bank and non-bank approved home loan. An ABN is required for payment.
